

Munger Place Historic District Association Home Tour 2011

The Munger Place Historic District Association invites you to be an integral part of our annual showcase event featuring the homes of the oldest planned subdivision in the Southwest.

In the shadow of the booming Dallas skyline lays one of the city's true hidden gems, Munger Place. Founded in 1905 and in the National Register of Historic Places, Munger Place boasts the largest collection of Prairie-Style homes in the United States.

On Saturday, September 24, 2011, six beautifully restored homes and the newly renovated Munger Place Church will be on tour to the public. Local artists, food vendors and live entertainment will be in the heart of the neighborhood to create an event to remember.

Your company's support will be viewed by over 1,000 tour-goers and ultimately will benefit the local elementary school and community revitalization projects. Our tour visitors and neighbors are motivated and passionate about historic preservation and promoting an enjoyable community-spirited life. We invite you to be part of the excitement!

Please review the enclosed sponsorship form and indicate your level of support for this event. To ensure your company name on tour print materials, please reply by August 15, 2011. Additional details and on line sponsorship form can be found at our Home Tour 2011 Website at mungerplace.com

As part of the home tour, Tremont Park will also be open. Tremont Park is a block within Munger Place that will be closed off for the public to enjoy local vendors, entertainment, and children's activities.
